

A portrait of Michael J. Sandel, a middle-aged man with short grey hair, wearing a dark blue suit jacket over a light blue shirt and tie. He is standing in front of a large, classical-style column, possibly part of a university building. The background is slightly blurred, showing greenery and other architectural elements.

**Michael J. Sandel** is the Anne T. and Robert M. Bass Professor of Government at Harvard University, where he has taught political philosophy since 1980. At Harvard, Sandel's courses include "Ethics, Biotechnology, and the Future of Human Nature," "Ethics, Economics, and Law," and "Globalization and Its Critics." His undergraduate course, "Justice," has enrolled over 15,000 students, and is the first Harvard course to be made freely available online ([www.JusticeHarvard.org](http://www.JusticeHarvard.org)) and on public television. A recipient of the Harvard-Radcliffe Phi Beta Kappa Teaching Prize, Sandel was recognized by the American Political Science Association in 2008 for a career of excellence in teaching. He has been a visiting professor at the Sorbonne (Paris), delivered the Tanner Lectures on Human Values at Oxford University, and in 2009 delivered the BBC Reith Lectures. From 2002 to 2005, he served on the President's Council on Bioethics. He is a member of the American Academy of Arts and Sciences and the Council on Foreign Relations. In 2010, *China Newsweek* named him the "most influential foreign figure of the year" in China. His most recent book is titled *What Money Can't Buy: The Moral Limits of Markets* (Farrar, Straus and Giroux, 2012). He is also author of *Justice: What's the Right Thing to Do?*, *Liberalism and the Limits of Justice* (Cambridge University Press, 1982, 2nd edition, 1998), *Democracy's Discontent* (Harvard University Press, 1996), *Public Philosophy: Essays on Morality in Politics* (Harvard University Press, 2005), and *The Case against Perfection: Ethics in the Age of Genetic Engineering* (Harvard University Press, 2007). His work has been translated into nineteen foreign languages. A graduate of Brandeis University, Professor Sandel received his doctorate from Oxford University, where he was a Rhodes Scholar.
